# WHY CONSIGN WITH LEGEND AUCTIONS?

Recently we had a potential consignor as a simple question, "Why should I consign with Legend instead of the big guys?"

## OUR RESPONSE:

We will get you more money for your coins. Most important your coins will not be lost in a phone book sized sale of several thousand coins.

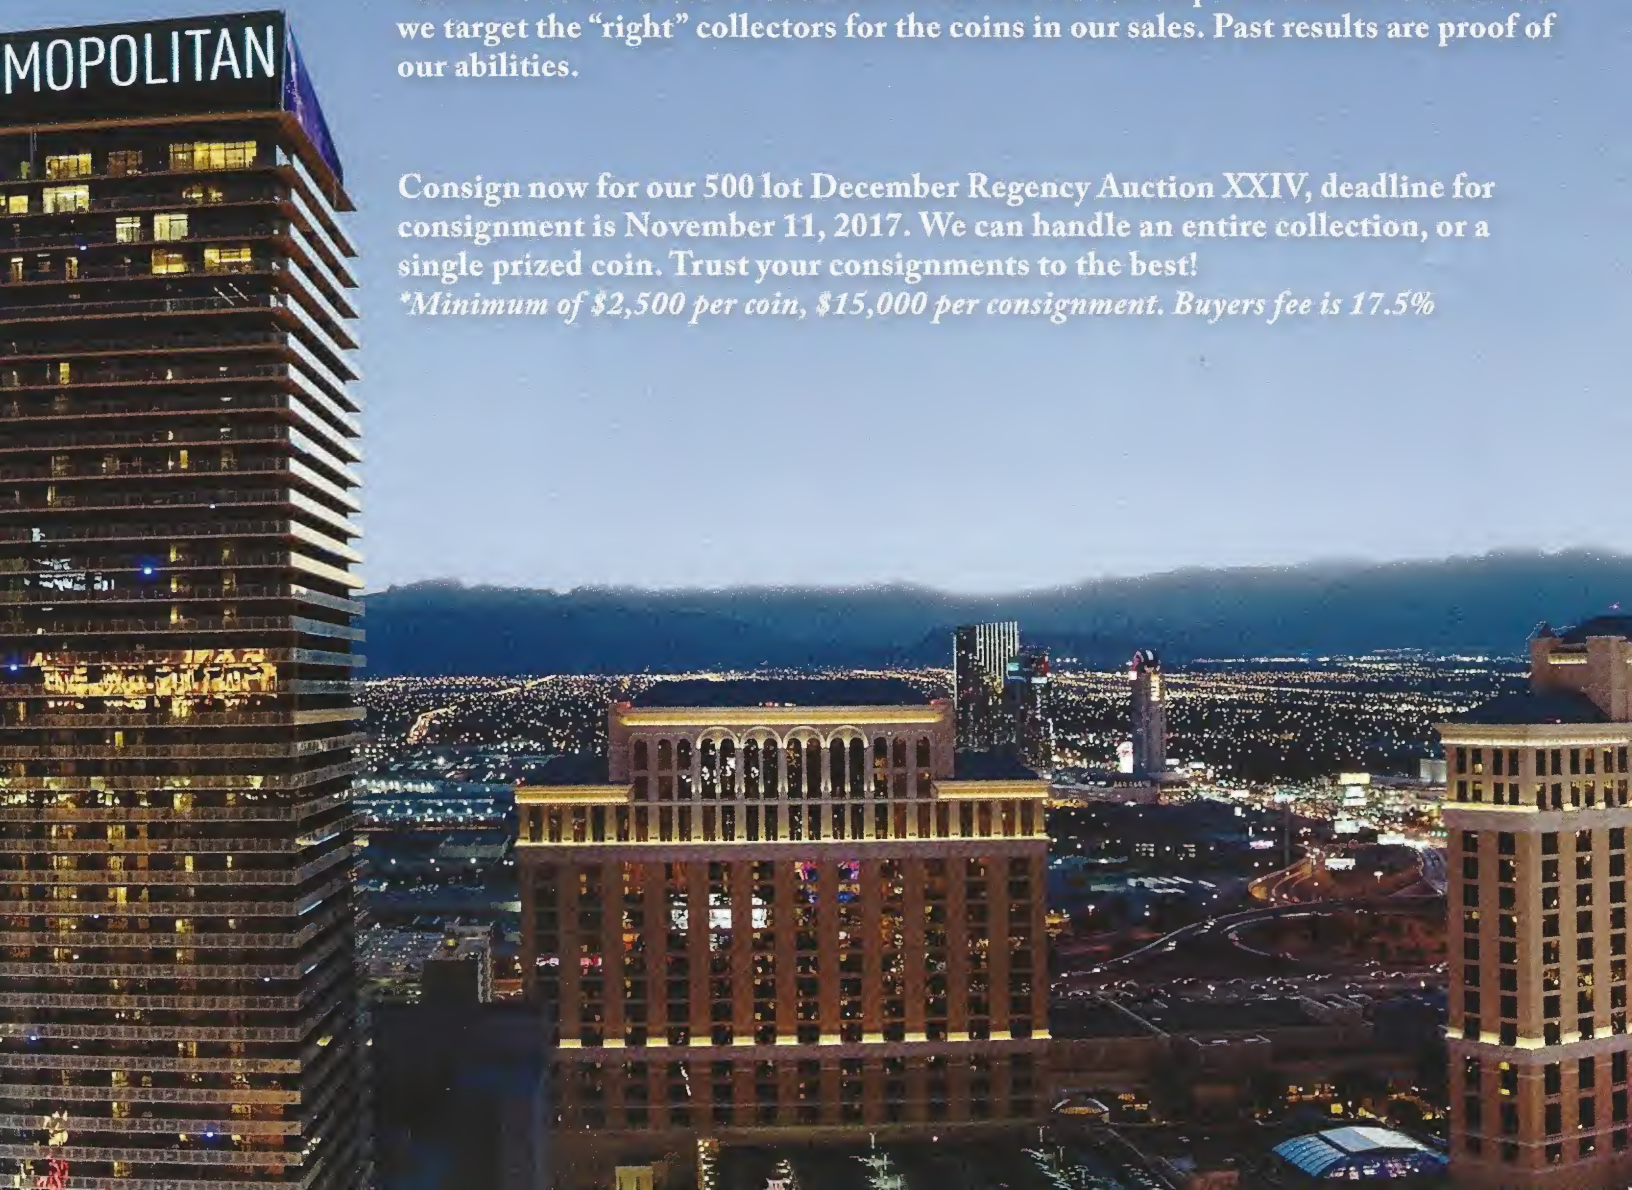

Our marketing team has more than proven itself capable of drawing a substantial worldwide audience of aggressive bidders. Plus, you have the full power of marketing to Legend's customer base- unquestionably the strongest group of buyers around today.

You do not have to throw stuff out to the masses and hope for bidders. At LRCA we target the "right" collectors for the coins in our sales. Past results are proof of our abilities.

Consign now for our 500 lot December Regency Auction XXIV, deadline for consignment is November 11, 2017. We can handle an entire collection, or a single prized coin. Trust your consignments to the best!

*\*Minimum of \$2,500 per coin, \$15,000 per consignment. Buyers fee is 17.5%*
